INTRO

What I am all about

Hello! My name is Zikri Ramdani, and I am a Web Developer with over 5 years of experience in web development. I am passionate about creating innovative and user-friendly web solutions, as well as skilled in modern technologies to build efficient and high-performance applications.

Goal:

I am committed to continuously learning and growing in technology, innovating, and delivering creative and effective web solutions. I also strive to stay updated with the latest industry trends and apply best practices in every project.

I am very enthusiastic about bringing my expertise and experience to your team and look forward to contributing to the success of your projects. Thank you for your attention!
